

# DRAFT: Dorset Clinical Commissioning Group Plan on a Page

## Vision: Supporting people in Dorset to lead healthier lives

As leaders and using our clinical understanding we will drive continuous improvements in services throughout Dorset to support people to lead healthier lives for longer.

Values: Caring Collaborative Courageous Honest Responsive Responsible

### Our Strategic Principles

Services designed around people

#### Achieved through Better Together Programme

The programme aims to transform health and social care across Dorset to enable and deliver a sustainable improvement in health and care outcomes through person centred, outcomes focussed, preventative, co-ordinated care.

**Key workstreams** include: Managing demand both front end and urgent care; improving effectiveness; integrated commissioning; integrated direct services; a number of external programmes.

#### Achieved through Clinical Services Review

Review of Clinical Services across Dorset. The aim of the review is to ensure high quality, patient centred, sustainable services.

#### Achieved through Urgent Care Programme

The Pan Dorset Urgent Care Programme aims to transform urgent care services across Dorset through alignment of services and simplifying pathways, integration, including use of technologies.

**Key workstreams** include: joint partnership programmes based around acute hospital 'sectors' and the development of a transformational Urgent Care Strategy.

#### Achieved through Clinical Commissioning Programmes

The seven Clinical Commissioning Programmes, with partners, review, design and commission clinical services across Dorset (e.g. Musculoskeletal Conditions). In addition to this they also support the Better Together and Urgent Care Programmes and the Clinical Services Review.
