Supporting people in Dorset to lead healthier lives

Dorset CCG: Quality Premium: Report for Month: May 2013

The 'quality premium' is intended to reward CCGs for improvements in the **quality of the services that they commission** and for associated improvements in health outcomes and reducing inequalities. Payments will be up to £5 per patient in the CCG, on top of budget and running costs.

CCG Population : **750,000** Illustrative Premium: **£3,750,000**

Is the CCG on Target to manage within resources?

Note: It is a pre-qualifying criterion for payment is that a CCG manages within its total resources envelope for 2013/14 and does not exceed the agreed level of surplus drawdown

Yes

Any quality premium is reduced if the providers from whom it commissions services do not meet the NHS Constitution requirements for the following patient rights or pledges:
