Information Management & Technology	✓		✓
Equality Impact Assessment	✓		✓
Freedom of Information	✓		✓
I confirm that I have considered the implications of this report on each of the matters above, as indicated	✓		

Initials: SH

1. Introduction

- 1.1 The framework provides assurance to the Governing Body of the controls that are in place to mitigate the key risks that could impact on the CCG's delivery of its strategic objectives.
- 1.2 This report provides the current version (Appendix 1) of the Governing Body Assurance Framework (GBAF) for information.
- 1.3 The framework is linked to the Strategic Objectives of the organisation and also serves as a source of external assurance for the NHS England – South (Wessex) quarterly assurance processes.
- 1.4 The Directors' Performance meeting has operational responsibility for maintaining the Governing Body Assurance Framework (GBAF) with support from the Patient Safety and Risk team.

2. Internal Audit

- 2.1 The final version 2017-18 Assurance Review of Assurance Framework and Risk Management was received on 27 March 2018. The overall assurance assessment was 'reasonable assurance'.
- 2.2 Seven recommendations have been made, all relating to the Governing Body Assurance Framework. Actions have been agreed to complete all seven actions by 31 December 2018; all agreed deadlines have been achieved to date.
- 2.3 Work is currently taking place via the Directors' Performance Meeting to add narrative to all assurance lines. Considerable progress has been made relating this recommendation since the last Governing Body meeting, however this work is still on-going.
- 2.4 Updates relating to the progress against actions is reported quarterly to the Audit and Quality Committee.

3. Gaps in Controls and Assurances

- 3.1 No gaps in assurance are currently identified in the Assurance Framework as at 3 September 2018 and no gaps have been identified since the previous report.
- 3.2 Additional control requirements and gaps in the control requirements will be identified during the implementation of the internal audit recommendations. Additionally, control requirements be identified in the light of ongoing changes to the strategic objectives, risks, and further updates and improvements to the structure of the GBAF.

4. Recommendation

- 4.1 The Governing Body meeting is asked to **note** the Governing Body Assurance Framework format and contents.
