Dear Requestor

Request made under the Freedom of Information Act 2000

On 14 May 2019 you sent a request, made under the Freedom of Information Act, relating to funding allocation for Palliative and End of Life Care within Dorset.

I am sorry we are unable to assist on this occasion as we do not hold the information you have requested.

This is not information that contracting team at Dorset CCG holds as we no longer undertake programme budgeting. Some activity undertaken in our STP providers would fall under this heading; but it would be a very small proportion of the overall care/cost as these services are delivered by care homes and hospices.

Yours sincerely
