3 July 2019

Dear Requestor

Request made under the Freedom of Information Act 2000

On 18 June 2019 we received your request, made under the Freedom of Information Act, relating to the current workforce for Integrated Community and Primary Care Services.

Since the CCG submitted workforce numbers as part of the Clinical Services Review, a Dorset Workforce Information Group has been established. They are responsible for reviewing and analysing workforce data on behalf of NHS providers in Dorset. Whilst we have not conducted an updated position based on the workforce modelling submitted as part of the Clinical Services Review, workforce planning has and continues to be undertaken.

To support the identified gap in staff required in community and primary care services, investment was identified. Out of 143.48 WTE funded posts, as at June 2019 95.7 WTE posts have been recruited to.

I trust that this is the information you require and that your request has been fully discharged.

Any information supplied to you is protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting. Any other re-use, for example commercial publication and subscription charge, would require the permission of the copyright holder.

Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

If you are unhappy with this response, you are entitled to request an internal review of our decision, handled where possible by a member of staff not directly involved in the initial

decision. If you wish to request such a review, please write direct to the Data Protection Officer, NHS Dorset, Ground Floor, West Wing, Vespasian House, Barrack Road, Dorchester DT1 1TG. We aim to deal with requests for internal review within three weeks of receipt, although where the issues involved are very complicated this period may be extended up to a total of six weeks.

If you have queries about this response, please do not hesitate to contact me quoting the above reference number.

Yours sincerely,

SIGNATURE REMOVED

Paddy Baker
