Dear Requestor

**Request made under the Freedom of Information Act 2000**

On 26 September 2019 you sent a request, made under the Freedom of Information Act. I now provide this information as an attachment.

I trust that this is the information you require and that your request has been fully discharged.

Any information supplied to you is protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting. Any other re-use, for example commercial publication and subscription charge, would require the permission of the copyright holder.

Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

If you are unhappy with this response, you are entitled to request an internal review of our decision, handled where possible by a member of staff not directly involved in the initial decision. If you wish to request such a review, please write direct to the Data Protection Officer, NHS Dorset, Ground Floor, West Wing, Vespasian House, Barrack Road, Dorchester DT1 1TG. We aim to deal with requests for internal review within three weeks of receipt, although where the issues involved are very complicated this period may be extended up to a total of six weeks.

If you have queries about this response, please do not hesitate to contact me quoting the above reference number.

Yours sincerely

**Q1:**

The name(s) and direct contact email address(es) and direct telephone numbers of the person(s) in your Medicines Management team who is responsible for the wound care formulary within the CCG/Health Board

**Response:**

Brian Charlton, Pharmacist, is the representative from the Medicines Optimisation team on the Wound Formulary Working Group. Please contact 01305 213548.

**Q2:**

The date of the next review of your formulary in respect of blood glucose meters

**Response:**

Blood glucose meters are non-formulary. NHS Dorset CCG will review the blood glucose testing strip formulary when NHS E issue their guidance, that was not issued at the same time as the information about the needles.

**Q3:**

The date of the next review of your formulary in respect of wound care products

**Response:**

There is no planned date to review wound care products, NHS Dorset CCG do however review any new products we are requested to review at quarterly meetings to sense check if a formulary change request should be made.

**Q4:**

How do you intend to review your formulary (detail to include process, time lines)

**Response:**

by following usual drug-decision making processes as detailed here
