Dear Requestor

Request made under the Freedom of Information Act 2000

On 5 November 2019 you sent a request, made under the Freedom of Information Act, relating to care home enhanced services.

NHS Dorset CCG does not have any specific care home local enhanced services (LES). There are aspects of LESs that may cover care homes, such as the Frailty contract and tracker nurse work. However, there is nothing in the contract or financials that separates out the location of the care given to enable us to give a value.

I trust that this is the information you require and that your request has been fully discharged.

Any information supplied to you is protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting. Any other re-use, for example commercial publication and subscription charge, would require the permission of the copyright holder.

Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

If you are unhappy with this response, you are entitled to request an internal review of our decision, handled where possible by a member of staff not directly involved in the initial decision. If you wish to request such a review, please write direct to the Data Protection Officer, NHS Dorset, Ground Floor, West Wing, Vespasian House, Barrack Road, Dorchester DT1 1TG. We aim to deal with requests for internal review within three weeks of receipt, although where the issues involved are very complicated this period may be extended up to a total of six weeks.

If you have queries about this response, please do not hesitate to contact me quoting the above reference number.

Yours sincerely
