1. Introduction

- 1.1 The Patient and Public Involvement (PPI) Annual Report provides a public facing summary of the involvement activity that has taken place between 1 April 2019 too 31 March 2020.
- 1.2 The report seeks to highlight some of the highlights in terms of involvement that have taken place during this time, ranging from the CCG's rating in the NHS England and NHS Improvement Assessment Framework to its impact in engaging with a range of community groups.
- 1.3 As well as focusing on feedback from our partners, the report seeking to demonstrate the outcomes of the view seeking that has taken place. For example, as the report illustrates, as a result of consultation feedback on the Dementia review, changes were made to the final options.
- 1.4 Infographics have been used in this year's report to show the outcomes and impact of the involvement work that has taken place in an accessible, and easy-to-understand format.

2. Conclusion

- 2.1 The 19/20 PPI report provides a summary of some of the great progress that has taken place in involving patients and the public.
- 2.2 The Governing Body is asked to **note** the content of this report.
